

TRIAD PTA PRESIDENTS REPORT

May, 2015

Once again we have had an amazing school year. It's hard to believe that the end of the school year is only days away and the planning for next school year has begun. I want to thank all of the members of the Triad PTA, the many volunteers, as well as the Triad PTA Board for all of their hard work and dedication to providing continued support to the school district and our many activities. For some children in our district the PTA has been more than a support team and has allowed them to experience things that they may otherwise not have been able to experience. I hold strongly to the motto, "Every Child, One Voice", not just because many of you have learned I do have a pretty loud voice when needed, but more because I have witnessed how much of an impact we can have in our community by not only thinking of each child individually, but having an overall goal of the best interest of the entire student body.

As I move forward with the planning of another school year at Triad, I wanted to share with each of you the additional journey I am about to begin this upcoming year. I have been elected to the Ohio PTA Board of Directors to serve as the 2015-2017 District 3 Advisor. My newly appointed Office will have little impact on my position with the Triad PTA, but will place me over eight counties in the State of Ohio, including Champaign. There are currently seven active PTA Units operating within District 3 and I welcome the opportunity to advance my knowledge of PTA on both the State and National level and I am honored to have been nominated and elected into this new role. With that being said I want to thank many of you for allowing me to bother you, drop in without warning because I know if I'm in your face you will give me at least two minutes, and most of all for just allowing me to find ways within the district that Triad PTA can help with and make a difference for the better.

I look forward to working with all of you again next year and have a wonderful summer break!

Lois Monroe

Triad PTA President 2014-2015
