

## TRIAD PTA PRESIDENTS REPORT

### October, 2014

Fall has arrived and with it the planning of our annual winter events. December 6, 2014 we will hold our Breakfast with Santa from 8:00 AM – 11:00 AM at the Triad High School with the Triad Elementary first and second grades to perform property at 11:00 AM. This event is open to the public and admission is free. Breakfast will be provided by the Triad FFA for a small fee. Other activities will include vendors for shopping, informative booths by local community organizations, and games.

During the following week, December 8 through December 12, we will be holding our Secret Santa Shop on the stage at the Triad Elementary during school hours. Triad PTA has contracted Fun Services to supply holiday shopping items to provide students an option to purchase gifts for loved ones at a reasonable price. All items will be \$5.00 or under with a large selection of items to chose from.

A reminder to the community, we will be holding Bully Proofing training during the week of November 10, 2014. This training will include staff, student, and parent sessions. The parent portion is open to the public, free of charge on November 12, 2014 from 6:00 PM to 7:30 PM in the High School. Everyone is encouraged to attend the training and awareness program as we continue our efforts to prevent bully issues in our schools and community.

Lois Monroe

Triad PTA President 2014-2015
