

TRIAD PTA PRESIDENTS REPORT

September, 2014

The 2014/2015 school year is underway and so are the efforts of the Triad PTA. Our organization takes pride in assisting our students, staff, and community in many ways with the same long-term goal always in sight. This year we will focus on strengthening family bonds and communication. I encourage everyone to attend the Elementary Literacy Night on September 30, 2014 from 5:00-7:00 P.M. The Triad PTA has partnered with other organizations in the community as well as the Title One Department to bring the Asset Building program to our district. Asset Building is the first of three programs the Triad PTA has planned for the 2014/2015 school year.

After two years of planning and fundraising we are proud to announce Bully Proofing, a presentation by Jim Bisenies, will consist of a three part training on bully awareness and is scheduled for the week of November 10, 2014. Our local unit will be supplying this training to all staff of Triad Local School District as well as all grades levels. In closing the training a parent night will be held on November 12, 2014. Other programs will be announced as they are scheduled.

This school year will be a wealth of education for the community as a whole and I look forward to each of the events and activities we have planned. Thank you to everyone in the community who has participated in our fundraising efforts to bring these programs to our district. Your continued supports are greatly appreciated.

Lois Monroe

Triad PTA President 2014-2015
