

Triad PTA

Volunteer Form

Each year the PTA asks family and friends to volunteer during the current school year. We have many actives that take place during different hours and days of the week and always need help in many areas to make sure our events are fun and beneficial to the students and family members. Any assistance is appreciated. Below is a list of some of our events. Please fill out the attached form and turn it in to the school. Feel free to contact any of our members with questions or suggestions, attend a meeting, attend an event and show support for our school.
