

## Volunteer Opportunities Listing

---

The Triad Local School District strongly encourages community support through volunteerism. Items where we could use assistance are listed below. This list is not meant to be inclusive but can be used as a starting point. If an individual or an organization would like to volunteer services to the district please complete the *Volunteer Planning Form* for the project you would like to help with and the *Release of Liability Form*. The release of liability form is an annual form and does not need completed for each project.
