Calculus

- 3-ring binder (1" or more)
- Notebook paper (graph paper is suggested but not necessary)
- Graphing Calculator (TI-84, TI-84 Plus, NO CASIOS)
- 2 spiral notebooks (1 subject)

Chemistry-

- Lined Paper
- Pencils
- Calculator - Must have E or EE or x10^x function

Computer Science

- Pencils and erasers or pens
- Notebook

English 10:

- Index cards - 4 packs minimum
- Pens - For this class you will write in pen. Any color is acceptable except **RED!**
- White out
- Highlighters (2)
- Small tab-like post-its
- One binder or notebook specifically for this class in which you will keep all the notes, worksheets, tests, and other information presented in class.
-Your English binder will serve as a resource as you study for tests and/or prepare for other assignments. All information presented or shared in class should be considered possible test material. *I would recommend keeping everything you acquire from this class,* because at any time we could have a notebook check, or put items together to compile a portfolio.
- A personal reading book
- Your Chromebook
- English 10 workbook/textbook

Honors English 10:

- Index cards - 4 packs minimum
- Pens - For this class you will write in pen. Any color is acceptable except **RED!**
- White out
- Highlighters (2)
- Small tab-like post-its
- One binder or notebook specifically for this class in which you will keep all the notes, worksheets, tests, and other information presented in class.
