

# **Artist of January 2022**

## ***Mason Harper***

**Well it is just about time that I gave some focus to the student who is the heart and soul of all that is good about the students in the Triad Art Program! When I think of a student with tremendous work ethic and a superior attitude, who always brings the most positive example to the classroom, the first person to come to mind is Mason Harper! Mason has been such an outstanding individual since the very first day he joined the art program. He is a wonderful, considerate, helpful student who is always polite, and a genuine pillar of good values in the Triad community!**

**Mason is an example of what values and virtue bring to the table, for a developing artist! Mason does not waste time, and he always pursues excellence. Mason demonstrates how hard work and discipline can bridge the gap to success! It has been a true pleasure watching this young man mature towards higher performance, just through his sheer determination.**

**Mason is always willing to jump in and help out without being asked, and he was one of the best teacher assistants that I have ever had! This young artist has as much heart as any student I have had the pleasure to work with! He is a man of character! I am always glad to see Mason each day and hear his positive greeting as he enters my classroom! Teachers benefit and are empowered by young people like Mason! He is a true Classy Cardinal!**
