Dear Triad Staff and Families:

The district continues to monitor the situation regarding COVID-19 (also known as coronavirus) and follow the guidance provided by our local and federal health officials. This situation is evolving from hour to hour. You can access the most up-to-date district information on our website at <https://www.triadk12.org/>

At this time, there are 50 confirmed cases of the Coronavirus in Ohio. Please remember that prevention is our best course of action. Please continue to reinforce and practice the strategies for reducing the spread of this type of infection. (Wash hands, cover cough, avoid handshakes, keep your distance, stay home if you're sick)

As promised, I wanted to give you the plan for feeding students for at least two weeks after spring break.

We will be providing 10 meals (5 breakfast & 5 lunch) to all students 18 years and younger each week. We are providing meals to anyone that lives in the Triad district under the age of 18. We will have a Triad bus at the following locations from 3:00 - 5:00 pm on Sunday, March 22nd and Sunday, March 29th.

This same service will be offered as long as we can receive meals and are permitted to distribute meals for as long as needed.

Pick Up Locations:

North Lewisburg Ballpark - North Lewisburg
United Methodist Church - North Lewisburg
The Meadows - North Lewisburg
Ballpark - Cable
Post Office - Woodstock
Old Heritage Lot - Mingo
Triad District Office

Important Information:

Please pick up food from the location nearest to where you live.

When arriving for pick up you can stay in your car. We will have someone come to your car to get student names and information from you and another person to bring the food to your car.

If you are unable to pick up food for your child(ren) you can send someone else in your place. Please send a signed note with whoever is picking up for you. That note needs to list the following things for each student under 18.

First Name

Last Name

Age

Triad Student (Yes or No)

If you are unable to pick up food at this time or make arrangements to get food please email me at hoffmanv@triadk12.org so we can work something else out. It is important to us that everyone has the ability to get the provided meals.

Want to help?

I have been more than grateful for the outpouring of love and support along with the willingness to help during this difficult time. We can only provide meals to anyone 18 years and younger. Anyone wanting to help out is more than willing to bring other donations to pass out at each location. All help is greatly appreciated and will help our students and community to make it through this tough time.

We could also use plastic grocery bags to pack food during future weeks. If you have bags please bring them to the district office, North Lewisburg Church or to any of the locations on Sunday.

If you or anyone in your family is ill or showing symptoms of illness, please contact your family doctor or the Health Department immediately. Thank you for being patient with us as we work to minimize the impact of Coronavirus on our students, their education and the community. We will follow up with more information in the future as things change and as we have more specific information on the plan.

Thank you for being a part of our AMAZING Triad family. We WILL get through this TOGETHER!!!

Sincerely,

Vickie Hoffman, Superintendent
Triad Local School District
