March 24, 2020

Dear Middle School Families:

I hope that you are all well and taking care of each other. It seems like I haven't had the opportunity to see all of you in a long time. I hope that changes so that we all have the chance to be back together soon. I wanted to send all of you some information that will help us work our way through the next few weeks.

We will be opening the Middle School this week so that students and their families can pick up the things students may need to continue with the online learning program. The schedule is as follows.

Wednesday, March 25- 9AM-12PM

Thursday, March 26-2PM-6PM

Friday, March 27-9AM-12PM

During those times families will be permitted to pick up books, personal items, band instruments, student medication (has to be picked up by an adult), online learning materials (for those who do not have access to the internet) and/or any other things our students may have left here at school. I will be at school all three days to help each and every one of you with this process.

I wanted to also mention a little about the online learning program that we have in place. All of our students should be set up to use their chromebooks at home to access Google Classroom lessons being assigned by each of their classroom teachers. I would ask that all students take this seriously and complete their lessons just like they would if we were here in the building. If you have trouble accessing any of these lessons please let me know and I will correct any issue on our end. Remember grades are being given for this work. Please note that a few teachers in specials areas may contact you through your email account as well. I am asking that all of my kids do a good job with these online assignments and work hard.

For all of you who need help or have any other questions please contact me so that I can help you solve any issue or answer any questions you may have. The easiest way to contact me is through email. loweryd@triadk12.org. You are also welcome to call me at any time. All calls to school are forwarded to me.

I am looking forward, as I know you are to the end of this so our school family can be back together. Until then, please know I am here to help you in any way I can.

Sincerely,

Doug Lowery

Doug Lowery
