## SUMMER SIZZLE

Coming to YOU this summer!

*Do you want to have fun?  
Do want to dive into learning?  
Don't be bored at home!*

Grab a friend and join our CRAZY lifeguards (a.k.a. Triad Elementary Teachers!) at our Summer Sizzle as we sail through different reading, math and STEM activities! Work with your beach squad to brighten those reading and math skills, earning shells for cool prizes!

Will your squad be awarded the CARDINAL SQUAD of the week? You'll never know unless you join us! We can't do this without you!

(Did we mention you'll get a FREE Summer Sizzle shirt?)

# Middle

## STEAM:

Incorporate science, technology, engineering, art and mathematics by:

- Creating a Table Top Putt-Putt Golf Course
- Going on a Nature Scavenger Hunt
- Making Shake and Freeze Ice Cream (Yummy!)

## ART:

- 5th grade - OP Art Weaving and Model Magic
- 6th grade - Black Glue Galaxy Painting
- 7th grade - Dragon Eyes with Model Magic Clay and Dragon Drawings
- 8th Grade - Geometric Animal Paintings and Japanese Notan Artwork

## HEALTHY HABITS:

- Nutrition Label Study & Healthy Snacks
- How the Body Works with Track and Field Events

# High

- PLP Online Learning Coursework; offered for Credit Recovery or Enrichment. Receive academic support during summer camp—with options to continue working throughout the summer on your own.
- AP Boot Camps for Advanced Placement Course Summer Assignments:

-AP English: June 6th and 7th

-AP Computer Science : June 8th and 9th

-AP Statistics: June 8th and 9th
